|Working Session

3:30 PM

|Urban Agriculture Task Force

Main Library

Meeting Room A

200 N. Dakota

|Avenue

| Please note there will be no audio or video recording of this meeting.

|1. |Review September 24, 2012 meeting notes

2. Taskforce Revisit Items

- A. Retroactive clause (chickens can live into their teens). How is this tracked and enforced?
- B. The allowance of guineas (definition of fowl).
- C. Leash - not to exceed six feet. What about retractable leashes?
- D. Approval of 60% vs. 80% of neighbors within 100 feet of property.
- E. Four vs. six fowl - concerns with six turkeys (or other large fowl). How would the nuisance ordinance override this if the City allows up to six?
- F. Rabbits and pet definition.
- G. Structures for animals.

3. Zoning Considerations

- A. Consideration of Bees.
- B. Setbacks: Distance from property lines, other structures, etc.
- C. Rooftop allowance.
- D. Areas (Districts) for prohibition (commercial, multi-family residential)?

4. Health Issues

- A. Feed storage.
- B. Vermin control.
- C. Disposal: Manure or other waste products.

5. Adjournment
