He said that the committee has recommended a slight increase to the cost of new liquor licenses and that recommendation will move forward to the full Council for consideration on May 2, 2011. The committee ran short on time and was unable to discuss council procedures and organization so that item will be discussed at the Public Services Committee meeting scheduled for Monday, June 13, 2011.

He would like the Fiscal Committee to discuss a possible sewer rate freeze for the elderly and low income and also discuss allowing rate increases in a 3 or 5 year cycle. Brown stated that the Fiscal Committee is willing to accept those tasks. Since there were no objections, Aguilar stated that those items will move to the Fiscal Committee for further consideration.
