After discussion, Anderson Jr. asked if the form letters sent to the citizens could be improved. The committee asked if the letters could include which specific tree needs to be trimmed or include a checkbox on the form letter that would indicate the location of the tree. Council Member Sue Aguilar asked the Parks and Recreation Department to review the program to see if the costs can be reduced. She indicated that \$150.00 is a lot of money for elderly people and asked if this could be made a more citizen friendly program.
