He said nothing has been written yet. Among the items discussed were: Nuisance Incidents; What is Single-Serve Alcohol; Why is this a Problem; 24 ounce Alcopop/Energy Drink; Public Policy Options; Operating Hours for Selling Alcohol; Intoxicated and Disorderly Subjects by Hour; Alcohol Impact Area; and (location of) Package Liquor, Package Malt, Package Malt/Package Wine licenses. Discussion followed.

Committee Member Kermit L. Staggers asked how Karsky came about researching this subject. Staggers said he hasn't been approached about it. Discussion followed.

Committee Member Greg Jamison said Karsky is probably right that the underlying factor, regarding this issue, is poverty. Jamison spoke about knowing someone who policed his shop and was able to get rid of the cheap malt beverages and unwanted clientele. Discussion followed.

Committee Member Kenny Anderson Jr. asked if any of the businesses have been contacted regarding restricting sales of the alcohol products. Karsky said there have been meetings with the City Attorney and Police, but not with business owners. Discussion followed.

Kiley asked what is the limit of a single serve (beverage) before it becomes a multi-serve in a single container. Karsky said this is something that we would look at other communities to see what they did. He mentioned that nothing has been prepared and this would be part of the discussion. Discussion followed.

Paul Bengford, Assistant City Attorney, discussed what the City would be able to do with an ordinance revision, in regards to State laws. Discussion followed.

Dave Grevlos, owner and operator of the Sioux Falls Shop N Cart Stores, spoke about policing his stores and making people feel safe coming in them. He offered to be a part of a committee to discuss this item.

City Council Member Michelle Erpenbach encouraged including local experts, such as the Homeless Advisory Board, in this conversation.
