City Clerk Tom Greco provided the following updates regarding the Runoff Election:

The Runoff Election will be held on Tuesday, May 1, 2018, from 7 a.m. to 7 p.m. at all of the same precinct locations for the following two races: Mayoral and Central District. The ballot order was determined this morning and is as follows: Mayor: Paul TenHaken and Joleen Loetscher; Central District: Zach DeBoer and Curt Soehl.

The voter registration deadline is April 16, 2018; and Absentee voting begins on Tuesday, April 24, 2018 at the Minnehaha County Auditor's Office at 415 N. Dakota Avenue. There will not be absentee voting for the city election on the Saturday before the election due to absentee voting timeline overlap with the June primary election.

The results of the April 10, 2018, election will be canvassed at the City Council Meeting on Tuesday, April 17, 2018.

Greco stated the process overall went well including the over 500 telephone calls received in the City Clerk's Office; the same or more number of calls received by the Counties; the use of voter postcards, utility inserts and redistricting cards; notifications placed regarding road construction by precincts; the combined teamwork of the street and police departments for using signage and guiding traffic at the counting center; and the, as usual, outstanding assistance provided by the Boy Scouts and their parents in providing assistance to the election board members when they arrived at the Counting Center.

Discussion followed about: the process for recording names on the voter poll lists; the signage used around Precinct 1-17 which had some road construction on Election Day; the deadlines for Voter Registration and absentee voting; the process for redirecting voters who go to the precinct when they are registered in another precinct; voter turnout percentage; demographic information is not available at this time; and requesting voter history.
